# A Message from our CEO

April has been a month to remember. The official opening of Abbeywood House marked a proud milestone for our organisation, and seeing councillors and local authorities join us in celebration was a true reflection of the community trust we have built.

Equally inspiring is the dedication shown by our teams every day, the small but meaningful actions that they take make our homes safe, warm, and nurturing. You are the heart of Bright Futures, and I could not be prouder.

**Here's to continuing to grow, together!**

We are thrilled to announce the official opening of Abbeywood House, our newest residential care home, which took place on 24 April 2026. The occasion was marked with a wonderful gathering, with councillors and local authority representatives joining us to celebrate this exciting milestone.

# Awareness of the Month

The National Living Wage increased on 1 April 2026, rising to £12.71 per hour for workers aged 21 and over, up from £12.21 last year. Workers aged 18–20 also saw a significant rise, from £10.00 to £10.85 per hour.

For the residential care sector, this is an important step in recognising the dedication of care professionals who provide essential support every day.
